

Donna Cosenzo (Treasurer): Donna is the program coordinator of The Patient & Family Advisory Program at the H. Lee Moffitt Cancer Center. After working as a Licensed New Jersey Real Estate Agent, Donna owned and operated a successful franchise business and was elected as Vice President of the Carpet Network Advisory Council. In 1998, Donna joined Merrill Lynch and Co., Inc. working as a program/project manager for various departments including Information Technology and Human Resources.

Currently at Moffitt, Donna works with patient and family advisors who provide their perspectives, ideas and who engage as partners with Moffitt Cancer Center to shape policies, programs, facility design and day-to-day service interactions to continuously improve the care experience. Donna's passion for improving the patient experience includes committing to the Cure on Wheels mission to raise money for life-saving cancer research and treatment at Moffitt Cancer Center.
